

Receipt

Thanks for your review!

This is a receipt that we have received your review. It is not valid as documentation for the insurance company

What happens next?

You will receive a confirmation of the review and the decision in the case in Altinn. If you have opted out of digital communication, the confirmation of the review and the decision on the case will be sent to your postal address.

What does the insurance company need?

The confirmation you receive in Altinn is valid documentation that you have reported the incident. You can use it when contacting your insurance company, with the criminal case number for your reference.

Unless other information about the case comes in, the police do not have information about the suspected perpetrator(s). The case may therefore be dismissed until further notice, but the investigation will resume if we suspect specific perpetrator(s).

Attachments will be checked for viruses.

The check takes some time, and the review will not be collected in the police case processing system until the check is completed. Should checks prevent one or more attachments from being retrieved, problematic files will be stopped. The remaining information entered in the report is collected in the police system, and the case officer is made aware that one or more attachments were not included.

Your receipt number is **2022-02-14-apn-288530**
