- **28 %** tax on your main income
- **28 %** tax on income from a secondary employer
- **28 %** tax on sickness benefit, pregnancy benefit, parental benefit, nursing/ training allowance and care benefit, unemployment benefit, transitional benefit, work assessment allowance (AAP) etc. from NAV.
- **28 %** tax on disability benefit payments from NAV
- **28 %** tax on disability benefit payments from parties other than NAV

Employers/pension payers which request your tax deduction card will receive the above information.

- If you draw a pension during the year, you must amend your tax deduction card.
- If you start a new job during the year, your new employer will obtain your tax deduction card electronically.

Avoid underpaying your tax

You will find the calculation basis on page 2. If you have had, or are expecting, significant changes in your personal finances, you can avoid underpaying your tax by amending your tax deduction card.

You can do this in one of the following ways:

- Log in at skatteetaten.no/endre using, for example, MinID or BankID
- Order an amendment form on paper at skatteetaten.no/kontakt, or by calling 800 80 000

In the event of any change, your employer/pension payer obtains your new tax deduction card. You are sent a new tax deduction notice.

Basis for calculating your tax

It is important for you to check that the calculation basis for your tax is correct and to change it if there are adjustments required. We have calculated your tax based on the following information:

Income		Deductions		Assets and Debts	
Salary income	270 000	Min. stnd deduction	106 750	Bank deposits	120 000

Income 2021 to date: 135 626

Tax 2021 to date: 20 284

These entities obtained your tax deduction card in 2020

You can see which employers/pension payers obtained your tax deduction card last year here.
